It comes, however, not from one of the men whom we referred to as the "real Republicans of Virginia," but from one of the new issue; a man who once said of these old, genuine Republicans, that they were "apostates for the price of their apostacy," or, in other words, "for revenue only"; from a man who went into the Republican party after Manone joined himself to it, and to Harrison out of power than in power. who announced his sequaciousness in that well-remembered declaration, "Lead on, master, Pil follow thee," Who is this newly-fledged Republican that hastens to rescue his party from the grasp of "the wretch MAHONE," as we doubt not he styled the little General whilst speaking to Mr. HARRISON of his bad traits? Dyspepsia

Makes many lives miserable, and often leads to self desirnction. Distress after eating, cick head-ache, heartburn, sour stomach, mental depression, etc., are caused by this very common and increasing disease. Hood's farsaparilla tones the stomach, creates an appetite, promotes healthy digestion, relieves sick headache, clears the mind, and cures the most obstinato cases of dyspepsia. Read the following:

"I have been troubled with dyspepsia. I had but little appetite, and what I did eat distressed me, or did me little good. In an hour after eating I would experience a faintness or tired, all-gone feeling, as though I had not eaten snything. Hood's Sarsaparilla did me an immense amount of good. It gave me an appetite, and my food relished and satisfied the craving I had previously experienced. It relieved me of that faint, tired, all-gone feeling: I have felt so much botter since I took Hood's Sarsaparilla, that I am happy to recommend it." G. A. Page, Watertown, Mass. N. B.
